Shannon golden girl

When confronted with a creature like this
words cannot do her justice. Oh lucky man!

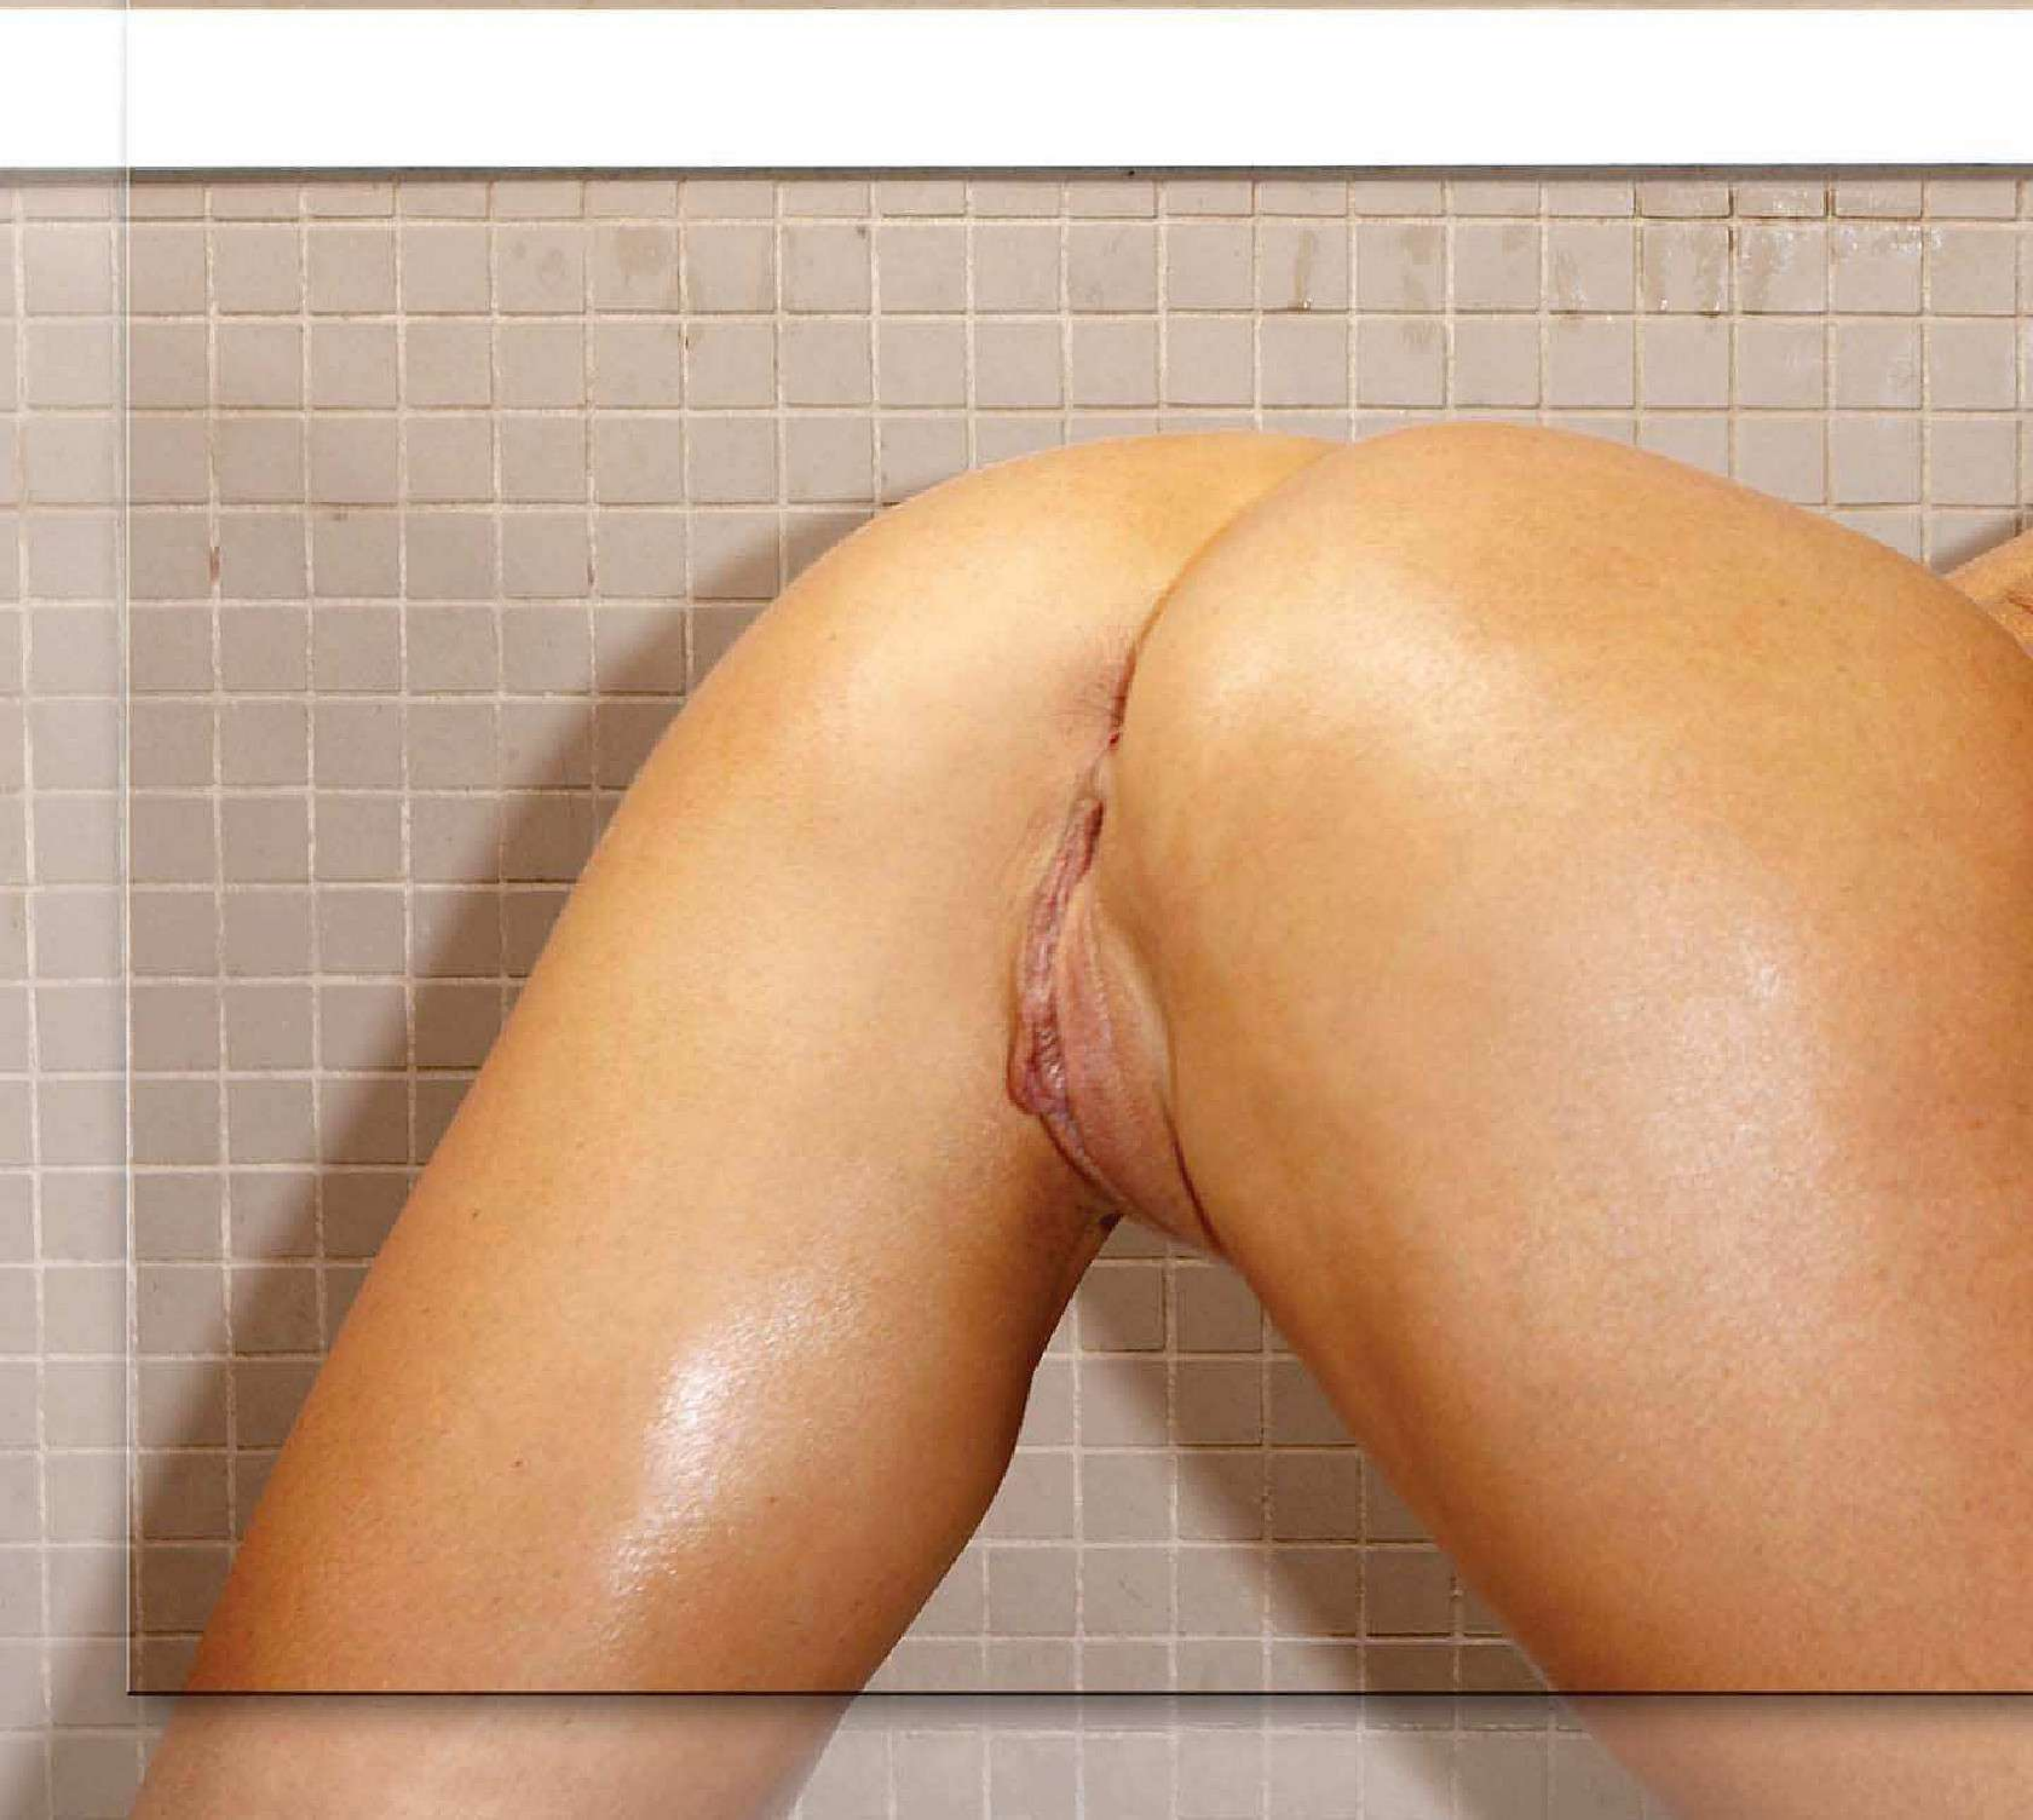

Not much to say, is there? Shannon leaves us quite speechless, also. It probably took you twenty minutes or more just to get to this page. Now go back to the beginning and do it again. You know you want to.

I was born in Russia and moved to the United States to pursue my modeling career.
My parents told me that we were related to Russian royalty.
Maybe not the best of it, but royalty nonetheless.
I left that all behind when I met my husband on one of my shoots.

GREAT, GREAT, GREAT, GREAT GRANDDAUGHTER
OF IVAN THE TERRIBLE. OR SO SHE SAYS...

I like rough sex with all the hair pulling and butt slapping. My husband thinks I'm a little too wild for him so he let's me have girlfriends that I can sleep with. I like that. And he likes that too because I share them with him.

We think it makes our marriage stronger, healthier and sexier!

One special time I invited two girlfriends to join us, It was for his thirtieth birthday. What was great about it is while one was doing him, I had one all for myself. He said it was the best birthday present ever!

One year later I'm separated from my husband. He wanted to go be a farmer while I was a city girl. He gets up at 4 in the morning. I don't go to bed till 4 in the morning. Now he's happy taking out the cows while I'm happy going out with my girlfriends.

*I'm hired for music videos, but not to dance.
My skills are reserved for the star of the show.
And I'm very good at what I'm hired to do.*

The spacious black limousine door opens and a stunningly attractive woman is about to enter. She is 5 foot 8 with a pink and red faux-fur jacket and long black hair that probably has been enhanced. Her long legs enter first and then she drops her nice butt onto the back seat of the limo. Dressed in a very short miniskirt and 5-inch pumps, she is the third such girl to be picked up this morning. But this one, Ebonie, is a little different than the ones she'll meet on the set of the music video that they are driving to for a new soon-to-be-a hit song by famous rapper Earle Gray, or Mumbles MC, as he's more famously known.

All the girls know that they must show their bodies for the camera, They know

to accommodate the three of the, three makeup artists and three hair stylists. The wardrobe girl has set up the clothing, what there is of it, in the adjacent bedroom.

The girls settle in and a couple hours later they get their call, "On set, girls." The wardrobe girl makes some last minute adjustments to the tiny swimsuit on Ebonie and they are on their way. As she walks to the set, it seems like the entire crew stops their work to look. My, she is fine. With the five-inch heels, she towers over the rest of the girls and most of the crew. Ebonie is quickly introduced to Mumbles MC and a few of his posse and the director gives her mark. They'll be shooting out of sequence, so the first shot is a lead-

the sexier they move the better the chances of being highlighted in the video. But that's not why Ebonie is riding in the limo,. No she bypasses all that and goes directly for the star. She's the starfucker. She's the one that shakes her booty in private. But this time, it's just a little different; Mumbles MC wants her in the video.

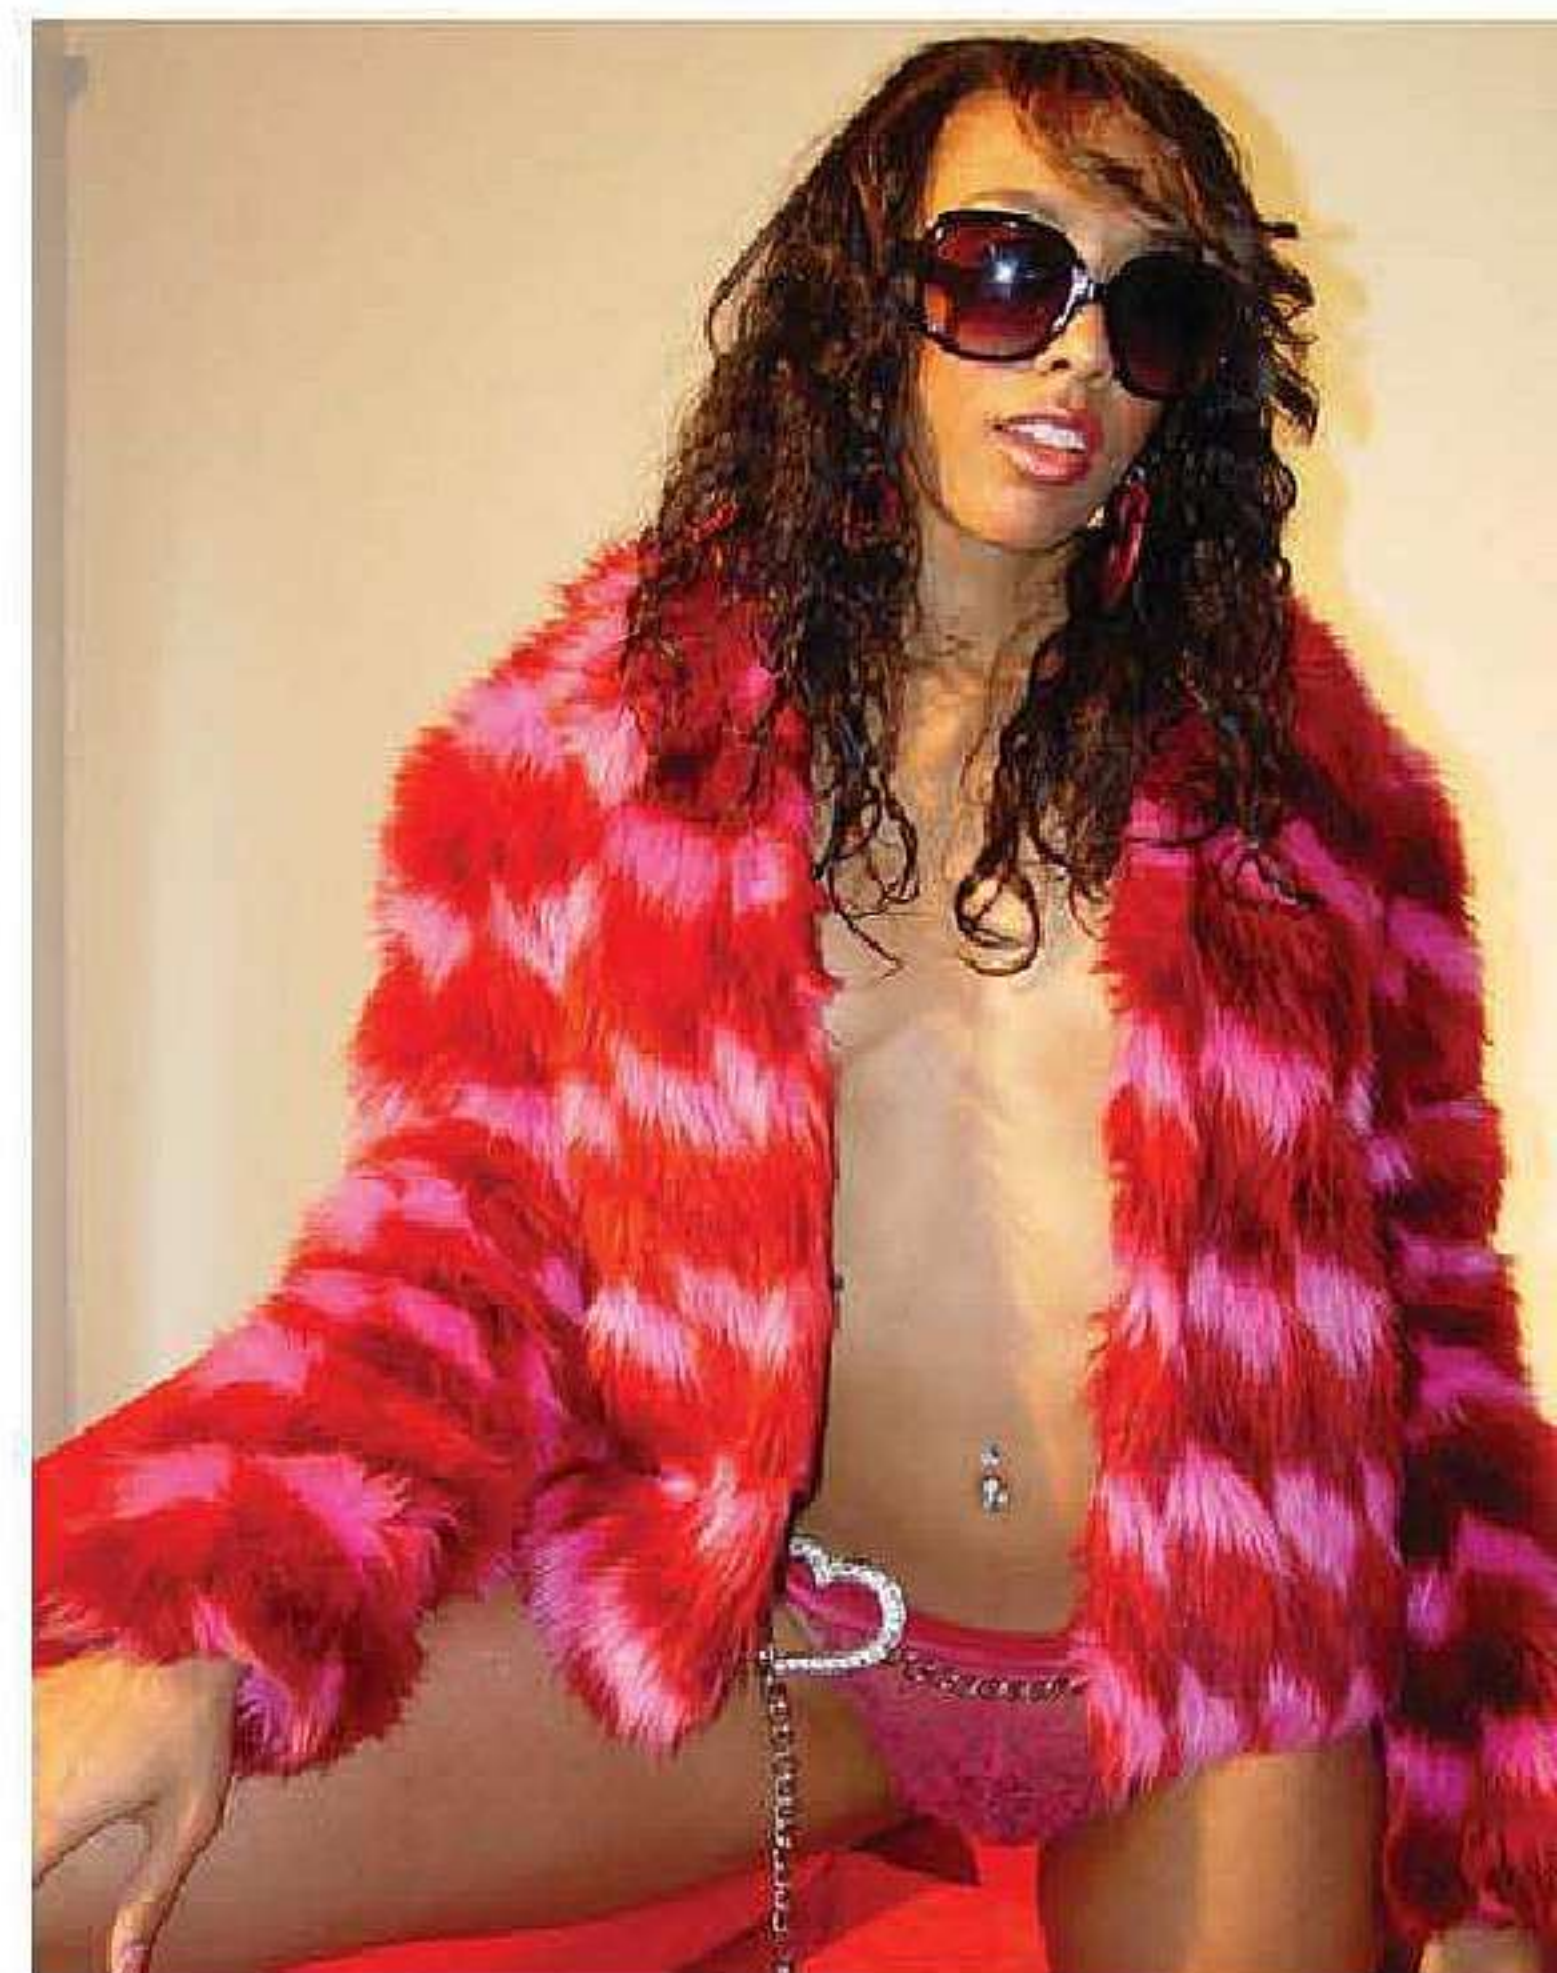

The limo arrives to the set; it's a multi-million dollar mansion outside Hotlanta. It's the type you see on MTV's Crips, behind huge wrought iron gates, full of white marble, twelve hot cars in the garage, sixteen bathrooms. The girls pull up amid the activity outside the mansion. The crew is unloading the trucks and setting up for the first shot of the day. The makeup artists and stylist are already there and set up. The three girls are escorted up to one of the bathrooms that's acting like a make-up room. It's easily big enough

in shot of the three girls walking out of a door to the pool area. Ebonie in the lead. They come out and the camera tracks at a low angle to accentuate Ebonie's height and the deep perspective of the other two girls and the mansion in the background. After a couple takes, the director says he's got it and they begin to set up for the second shot.

As Ebonie is prepped and attended to, the director explains the shot. She will dive into the pool at the far end and come up out of the water, wet and into Mumbles MC's bed at the other end of the pool. The two other girls are already in it and will frame Ebonie as she walks up the pool steps, rises into frame and crawls onto the bed between them, anticipating that Mumbles MC will soon join them. And cut! Ebonie, of course, does not dive into the pool. A stunt double has been hired who is a professional diver. That

shot will be done tomorrow and edited in. And Ebonie does not swim across the pool getting all wet. No, her hair is carefully sprayed to look wet, but still sexy, with just the right amount of curls adorning her face. Her chest is sprayed so the skimpy suits clings provocatively to her body, showcasing her breasts that will fill the frame as she rises into and out of it.

The director shouts for action. Ebonie rises up into frame and the two girls in the bed purr as she climbs into it. Mumbles MC comes into frame; his dark tattooed back fills the frame. The camera pulls back and we see the four of them in bed. Three girls in bikinis and Mumbles MC in jeans with striped underwear puffing out above the jeans. They gyrate provocatively and Ebonie begins to undo his belt. And cut!

The director calls for a few more takes, skillfully changing the details and the camera angles until he thinks he's got it covered. The assistant director calls for lunch (it's 3pm) and the set takes a break. The girls head for the bedroom upstairs. The two girls are finished for the day, so they are dismissed, and after gathering up their stuff, escorted back to the limo and driven home. Ebonie remains. She is out of her swimsuit and now just wears a robe, awaiting her next scene with Mumbles MC that will be in the early evening. The shot

calls for the close-ups of them “making love” on the bed by the pool as the sun sets behind them, silhouetting their entwined bodies.

While the crew is lunching, Ebonie sits in the makeup chair reading a magazine. Mumbles MC walks in. She sees him in the mirror and turns around with a smile. She knows why he’s there. She hears him close the bathroom door and lock it. He mumbles something as he approaches her. She briefly gets up and pushes the tall director’s chair she is sitting on away from the counter. She gets back on it, adjusts her robe underneath her butt and casually opens her robe below the waist, and then opens her legs. She slides her hand up from between her legs, lingering on her lightly hairy pussy and opens the robe the rest of the way ex-

that all the men remember her by, and talk about her in those terms. “Hey bro, did you smell that pussy, I thought I died and went to gangsta-pussy heaven.” She pulls his baseball cap off and grabs his short dreads, pulling his face away; she looks down at him with sexy cat-eyes and pulls him up. He makes his way up her flat tummy to her breasts with nipples erect and inviting. He acknowledges each one with a flick of the tongue and a little pinch and attempts a kiss. Ebonie turns her face away at the last moment. She does not kiss. Rule number one. Mumbles MC also knows this, but you can’t blame the bro for trying.

Ebonie gently pushes him away so there is room for her to stand up and turn him around so he is now sitting on the chair. He leans back putting he

sure to do it so he can see her actions. Half of the trip for guys is to see her licking and sucking. She now moves her head to the side to lick his shaft. He looks in the mirror and sees her nipping and biting it. She lowers her tongue to his balls and licks them at the base of his shaft. Her mouth sucks one, then both of them in, filling her cheeks. She swirls her tongue around on them as Mumbles MC moans in the chair. She strokes his cock as she sucks his balls causing him to explode on his belly. She looks up, not expecting such a quick ending, but right on cue, smiles at the accomplishment. She slides up his shaft and takes in the last few drops remaining at the tip. She slides up a bit further and licks off his cum. As soon as she looks at him, there is a tap on the bathroom door. His homey’s voice comes through saying lunch is over and

posing her perfect breasts and erect chocolate nipples.

Mumbles MC doesn’t miss a beat. He crouches down in front of her and attacks her pussy with his mouth. She slows him down, pulling his head back and beckons him to be a little softer and less rushed. He mumbles that he’s only got ten minutes and goes back down on her. She pulls his head deeper into her sweet-smelling pussy. This is her secret weapon. A scent of special aroma, Eastern Burmese orchid,

feet on the chair’s foot rest and opens his bent knees so she can fit between them. She moves in and unzips his zipper. There’s no foreplay here. She reaches in and pulls it out. It’s long, dark, and ready to be sucked. But first a few deft strokes of her hands gets him really excited. She reaches into his pants again and pulls out his balls.

Now she’s ready. Bending down, her mouth wraps around his dick’s head and she begins to work it with her tongue. Always the performer, she is

he’s needed on set. He stands and adjusts himself. She reaches for a wipe and wipes his stomach clean of any cum-reside. She then grabs another one and wipes her mouth.

Mumbles MC leaves the bathroom and a few seconds later, her make-up artist returns. She notices the lipstick has been smeared and some white stuff on the edge of Ebonie’s mouth and asks if she has finished with her lunch. Ebonie smiles and looks at her and answers, “Yes, yes I have.”

Seductress

I think I'm just now reaching my sexual peak.
I've been fucking for more than two decades
since losing my virginity at twenty-one.
My sexual animal has been awakened,
SO WATCH OUT.

Now that I'm older, I find it amusing that my parents named me Patience, because when it comes to sex, I don't have it anymore. I want to get right to it. Take blowjobs for example, I wasn't very good at them in my younger years, I tried to do what I thought was right and what the guy liked.

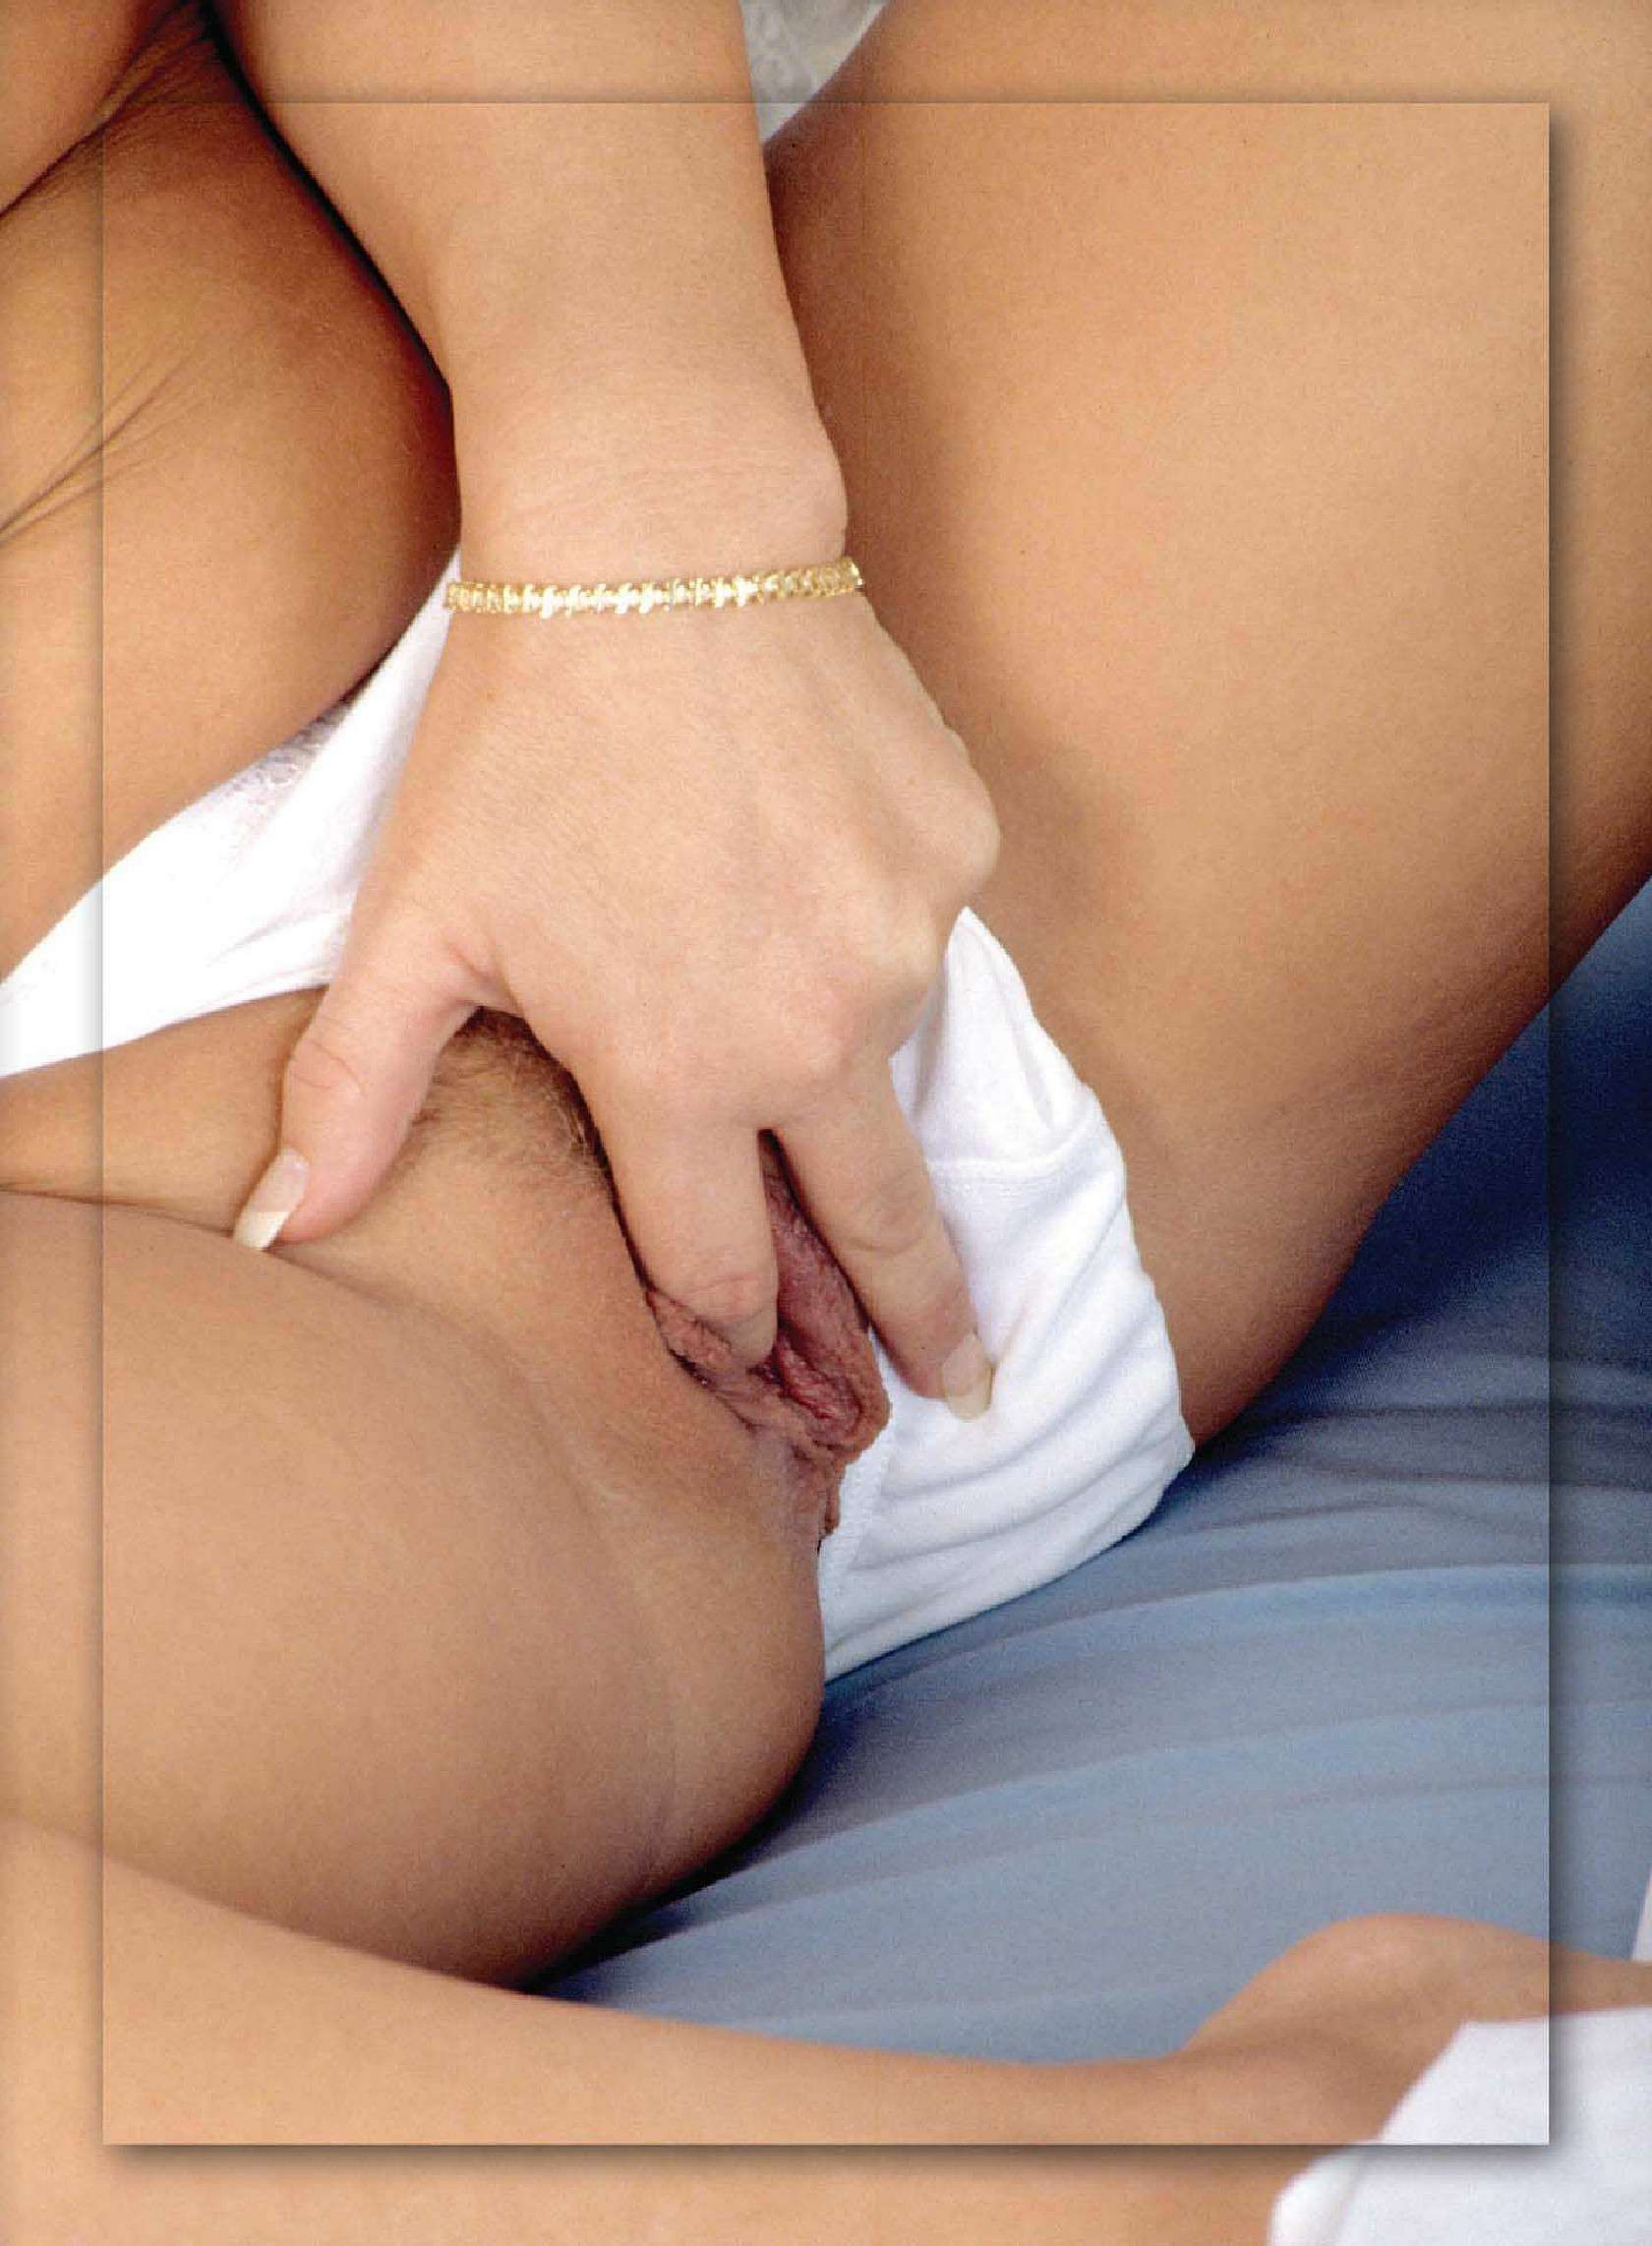

Patience

WE HAVE A LOT OF IT

Once in a while they would tell me what to do but I was hesitant and it showed in my giving head. Now, I go right for it. I don't even think about it. I know exactly what to do, plus I have some tricks that will work on every man. I don't want to give my secrets away, but some involve their balls.

I think they are the most under-appreciated sex organs for guys. They are so cute when the guy gets hard and they hide up under the cock. My tongue goes right up there to get them. I wrap my mouth around both of them and gently pull down.

Sometimes I do it kind of rough, but no guy has screamed in pain yet. Only pleasure. When it comes to cock sucking, I don't want to waste time. I get right to sucking cock and leave the rest for later. Cock sucking is what men are all about. And I'm all about men.

B.F.F.

Lacey and I are best friends.

We've been best friends for a long time and probably will be forever. Ever since she was a toddler and I was her baby sitter. Now we're both adults and my twelve years older doesn't seem like that big a difference. We were never lovers until a few years ago. We grew up and stayed in the same town. Even dated some of the same boys, but as we matured, we found our interests converging.

continued after the pictorial...

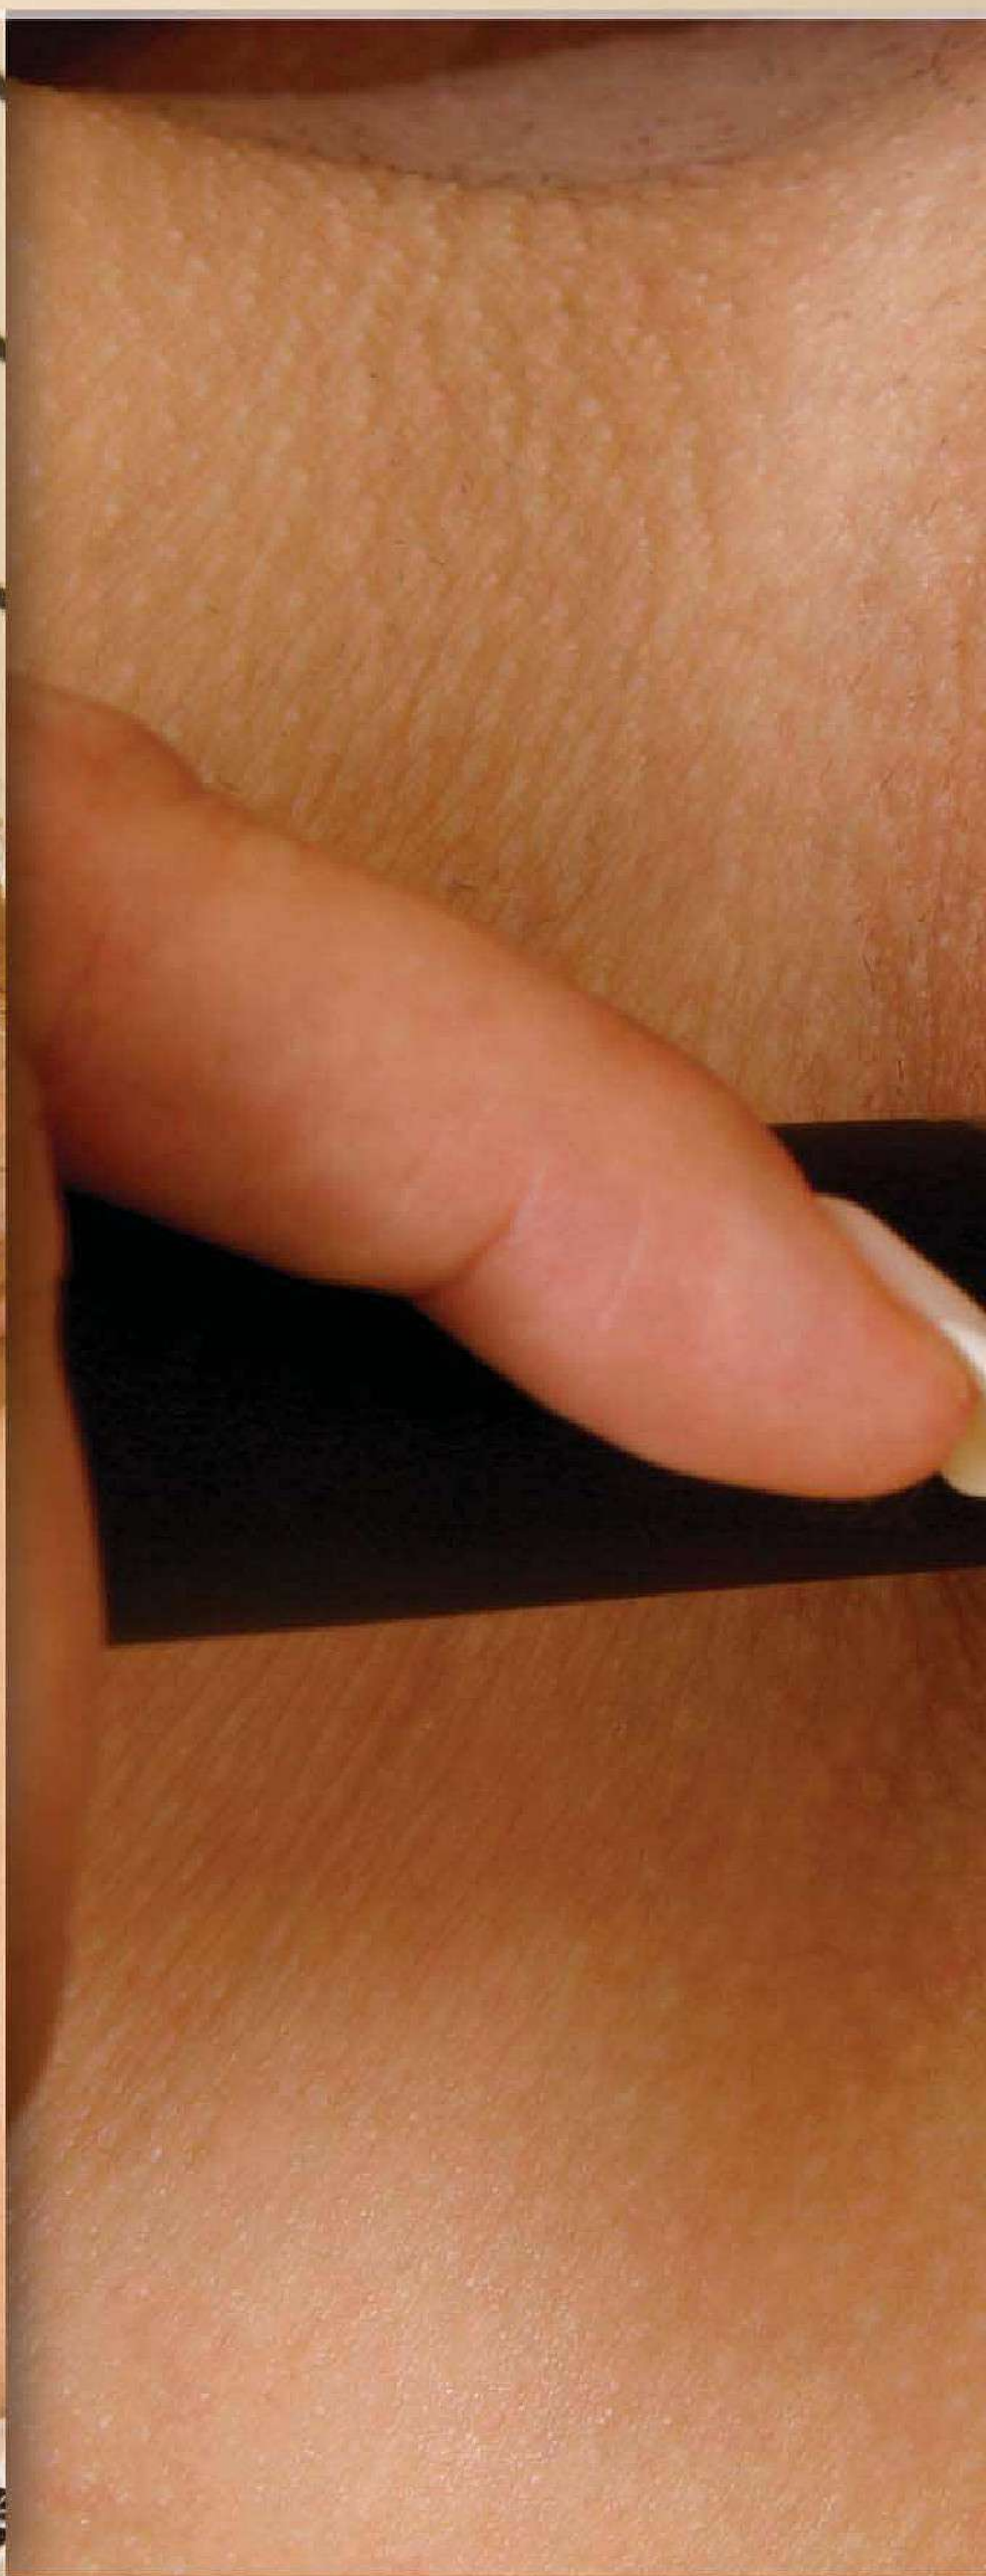

continued...

We liked to scrapbook and take long walks. We often did this together and one day we started talking about what it would be like to sleep with a woman. At first it was just a philosophical discussion about softness, body hair, dating habits, etc. Then it started getting personal as we asked each other if they had ever slept with a girl. We both confessed that we had not but often thought about it. Since we felt our relationship was as strong as they come we agreed to. I told her I thought it'd be fun to play with her boobs and lick her pussy. She confessed she kept it shaved because she liked the

that she promised to shave my pussy. We finished the last page, put away the art papers and headed off to my bedroom. I took a quick shower, careful to clean myself thoroughly and lotioned on a nice lavender scent. In the meantime, Lacey had stripped down to her bra and panty and got some shaving cream and a razor from the medicine cabinet. She had laid out a large towel on the bed and had a bowl of rinse water nearby. I came out of the bathroom and she commented on how nice I smelled. I smiled meekly. We had never been this naked in front of each other. I walked over to the bed and she grabbed my towel and threw it on

lowers it as if trying to guess its weight. Her other hand reaches up to the other breast and now she's got both of them. Her fingers find my nipples and she rolls each one in her fingertips. They instantly get hard and I love the feeling. I close my eyes to savor the moment. Her hands now cup each breast as she moves closer. "What are you? A 36D?" she asks. "34DD." I answer. "Nice," she replies. "I always knew you would have nice breasts," Lacey says as she moves in to kiss me. I feel her smooth lips on mine and we press together. Tongues meet inside my mouth and her hand reaches down and playfully tugs at my

way it looked. I told her mine was not, but she could shave it for me. We both laughed and said she'd get her chance.

One rainy afternoon we were scrapbooking my niece's 20th birthday. She was a lipstick lesbian and our conversation turned to girl-sex. I reminded her

the floor. Lacey was staring at my breasts. "I've never seen your boobs before. They're gorgeous. Nice and full and ripe. I can't wait to bury my face in them." she says. I'm a bit shy, but manage to say, that I can't wait to see hers, too. Her hands reach out and cup the underside of my left breast. She raises and

pussy hair. "Okay, let's get on with it," she commands.

I sat on the bed and she opened my legs to get at the object of her attention. She took the scissors and gently pulled the longer hair up and cut it off. The first few snips made me nervous but she quickly

B.F.F.

finished trimming the long hairs. She put down the scissors and then rubbed the fluffy white shaving cream on me. Her touch was gentle as she swirled it around the outer lips and down into the V between my legs. Then the razor came out. She started at the top and the sensation was very strange. She shaved down to the opening fold and around the sides. I opened my legs further so she could get into the cracks and folds a little

sides, just licking and nipping at the lips. Then I'll turn her so she's on her back and I'm on top. That makes it easier to rub my pussy hard into her face. I'll cum, but she won't let me rest, She'll flip us over so she's on top and do the same to me. I'll eat her sweet pussy with her juices flowing all over my face. I do not get as wet as she does but she says my juices taste great. When she's on top, Lacey loves for me to eat out her little

as the wave of après-cum relaxation envelopes us. As we bask in the warm glow of our lovemaking, Lacey gets up and goes over to my dresser. Somehow she knows that there's a vibrator in the bottom drawer. She pulls it out and comes back to the bed waving it at me. I giggle as she pushed me onto my tummy and pulls my hips up. I'm on my knees waiting for her to put it in me. She lubes it up with her mouth and spreads my pussy

Lacey and I are best friends and love to fuck each other. I love her large breasts and the way she goes down on me. We love the taste of each other's pussies, and she loves to fuck me with vibes and dildos. It's especially nice when we make each other cum.

better. She pulled my labia lips to the side and shaved right down to the pink. And then the other side. And finally to that soft and sensitive space between my vagina and asshole. She did a great job; not one nick. She took a damp towelette and wiped off the remaining cream. She grabbed some soothing lotion and massaged it into the newly shaven area. That felt really good. It seemed as if my senses there had been amped up. She then brushed her hand deftly over my cleanly shaved area to feel for any stubble. "Perfect." she said.

As it turned out Lacey could really eat pussy. And after she shaved mine she went down on it softly. I never felt such a feeling of warmth and passion as I did in her touch. I reciprocated the action. We love to sixty-nine. We'll lie in each other's arms in that position for hours. Each one of us cumming several times throughout the night. We'll start on our

asshole. She'll turn her hips in so I can reach it better. I love how it puckers and pulses with each of my tongue thrusts. But that's not enough for her, she whispers for me to use my fingers in there. I oblige by wetting them in her wet pussy and then slowly work it into her butt. At first I feel some resistance, but she relaxes her sphincter and I wriggle it in even further. She moans loudly but her moan is muffled because her face is still buried deep into my pussy. I shove my finger in and out adding my tongue around the outside and lubing it up some more. I introduce a second finger and she spasms with the pleasure/pain that it induces. In the meantime she is fingering and licking my pussy with a fervor that real love brings. I cum again just as she begins to buckle in her anal orgasm.

We fall over to the side – still entwined in sixty-nine and pull each other closer

lips for easier entry. She turns it on and inserts it into my still-wet pussy and starts to twist it. The sensation overtakes me and my hips rise to meet her thrusts and twists. She takes her finger and pokes around my puckered asshole. By now I've surrendered to her as she fucks my pussy with the vibe and alternately fucks my asshole with her finger. I cum again, hips shuddering, and muffling my ecstasy in the pillows. I roll over exhausted. She says it's her turn and I muster the energy to use the vibe on her.

She lays down and I get to work. Lacey spreads her pussy lips and helps me in with it. I bend low to lick her at the same time. I feel the vibrations on my tongue and chin and I bury my chin in her clit so the vibrations are amplified. I push the vibe in and out and feel her cumming for the fourth time. She collapses in passion and falls to rest with me on top of her. Yes, we'll be best friends forever!

MEANT FOR AN ANGEL

Dear Cara Lott,

You are one hell of a woman to watch. I've been in love with you from the

longest. You're in my eyes, the most beautiful, sexy, seductive hottest MILF I've seen in 40+. I just love older women and I'd be having serious fantasies about you. Your layouts are the only pictures that turn me on, literally. I just turned 23 years old and I have a gifted nine-inches of hard dick. I can definitely imagine me grabbing your hips and fucking you hard and rough. Can you take it? I don't expect you to act like a lady neither. You'd be surprised what I can teach you. Don't let my age fool you. You're my wildest fantasy and I'm ready to do everything you tell me as long as I can have you any way I want. I make love to your picture three times a day. You have a beautiful pussy and it stays wet. I love eating pussy and I'll eat your all night long. I have nice size

tongue; I'll eat your pussy and asshole at the same time. I know you say you don't do anal, but how can you resist nine inches. I'll slip your tight little asshole wide open. Your pussy looks kind of tight also. I promise I'll treat you like a queen in the beginning. Lord knows I wish I could have an intimate encounter with you. The sun and the moon exchange places but I wanna embrace you and exchange faces. Get a Chance to know you with no questions. I know you're hungry for some young loving. I'm very aggressive and demanding and rest assured I'd have you hooked and screaming for more. I'm excited just writing this message. I see you know, sucking my dick while your fingers popping yourself at the same time. If only for one night, I'll fuck your brains out while you're reverse cowgirl. My performance is exotic and obviously possible. I'd do anything to make love to you and give you a tongue bath. I hope to hear from you soon. In closing, it'd be real special to have the chance to meet you. Love wouldn't have anything to do with it. And I'm quite sure for you to be 45 your groove is intact. It'd be a dream come true. Until I look at you pictures and we meet, stay as beautiful as you are. Soft words from a hardened cock.

Hello Mistress Oralee,

My name is Ed. I'm a 56-year-old widower Italian man that is very shy. But I'm going to come out of my shell a little to tell you how I feel. Here goes. I don't know why but you are my life-long fantasy. You are so sexy and classy, not to mention the hottest woman alive. I'm going to admit that you make me rock-hard. Baby you're totally gorgeous. I can't stop fantasizing about you, damn; you're so fucking hot. As your biggest fan, if at all possible I would do anything if you could send me an auto-graphed photo that will really put me in fantasyland. I bet you're a real sweetheart also. Thank you. Love and kisses and everything else I would like to do to you.

Edward, AZ

Dear Edward,

I just love Italian men, They are so macho and hot blooded. One of my favorite lovers was from Roma. Please don't stop fantasizing about me, baby. Keep looking at my picture and I'll watch you getting off!

– O

Mistress Oralee,

I'm a 44-year-old man writing a letter to a magazine for the first time. I was working late in the shop when I saw a copy of 40+ in my friend's locker. I asked him if I could sneak a peak at it and he said sure. He told me to check out your pictorial and we went back to work. During our morning break I took the mag to the bathroom, got myself a stall and sat down to look through it. Man was he right. I saw your layout and popped a boner right there in the bathroom. After work I told him I didn't have a chance to really look at

it, so could I take it home tonight with a promise that I would return it in the morning? He said I could, but I'd have to careful not to "spill" anything on it.

When I got home I couldn't get my coat, and pants, off fast enough. Please do not think I am being crass, but I don't know how else to tell you. But I went right to your pictures and began to study them, and you. First I have to say I love your haircut. It suits you well and frames your face nice. Then, I love your boobs. They are like a twenty year old would have. Your nipples are just the right size and just the right amount of erection, although I bet I could get them higher. And your pussy looks really fine. I can see everything. I do not like hair down there and it looks like you take the time to make it smooth, and kissable.

lbs. and in good physical shape at 50 with olive skin, dark hair, brown eyes. PS: Men love hair down below, too. That I know will make you more of a teen, believe me. I want to travel to be with you so please feel free to call me or write me or you can come out to California for a week or so. So we could go dancing, dine by the beach, the pier is beautiful at sunset for laughs, etc., etc. You may write me also. I'm good looking. Even if you want to find some alone time for extra fun. Don't forget me baby.

Greg, CA

Dear Greg,

You stud, you. I live in Califoprnia, too. Maybe we can meet. I'm at the beach all the time. And I'll grow back my pussy hair just for you!

– O

Even though we may never meet, I wanted to let you know that you are one fine woman. I hope you get my letter as I probably won't write another one again.

Raymond, WI

Dear Raymond,

I loved your letter and hope you don't stop writing. You seem like a sweetheart and I just love working men!

– O

To Mistress Oralee,

Read your cover story and so your awesome body so sexy. You're the best of all the magazine had to offer. I dig so much what I see. I sure hope to meet up you one fine day. I know I will satisfy you in an instant, as I know you sure will me. If you let your hair grow longer and wear nice cute dresses you will always draw the attention you deserve. I'm 5' 10" 165

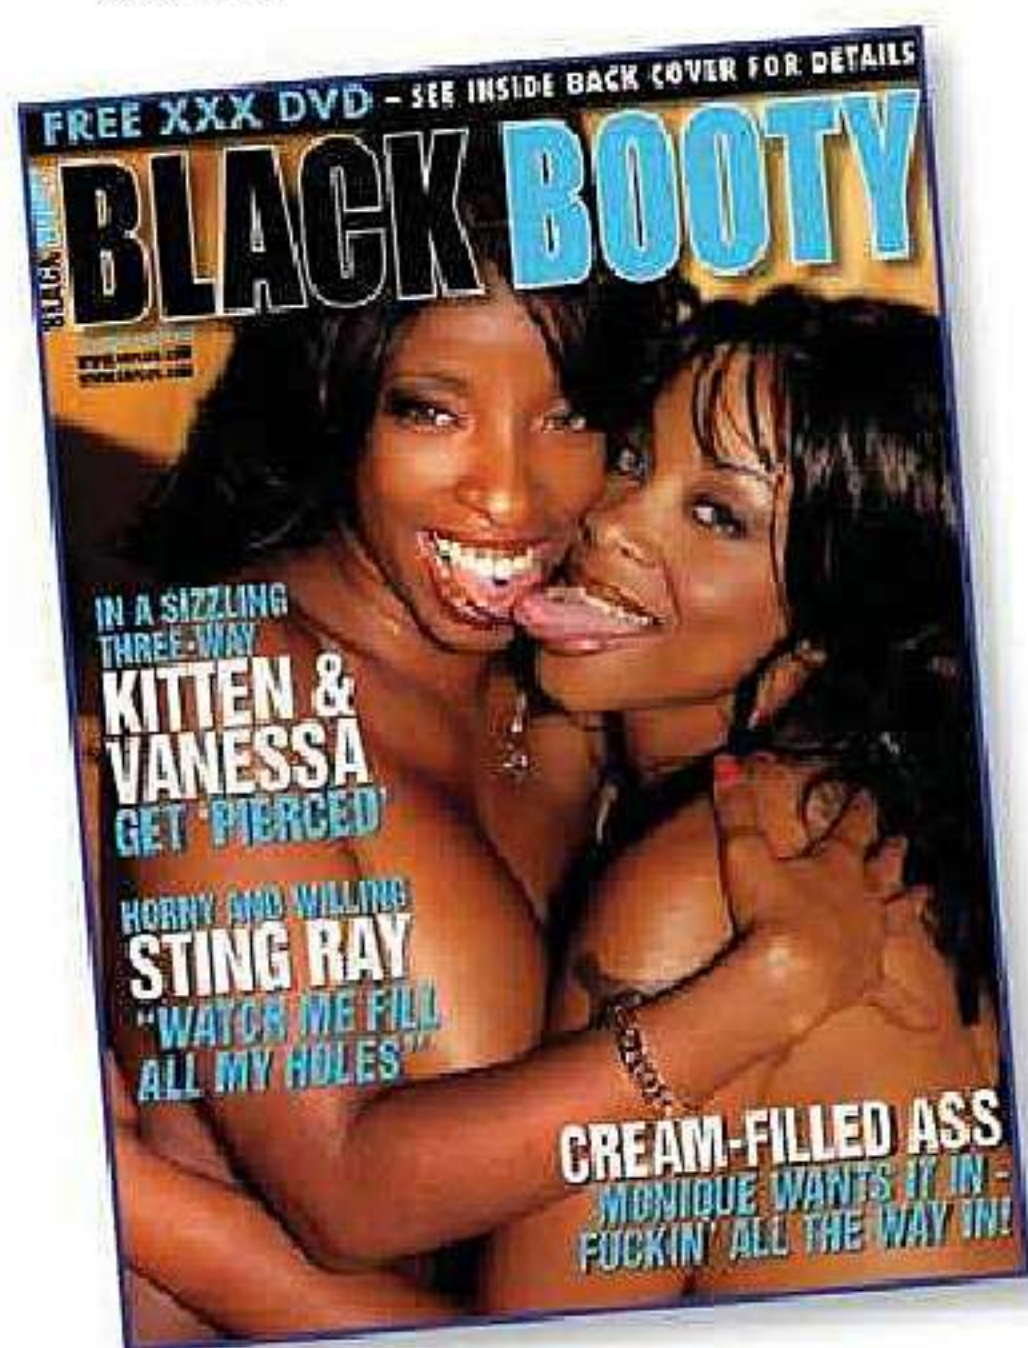

To all my fans, I hope you'll keep writing so I can read your sexy letters. I love you guys – Mistress Oralee.

You have something to say to us?

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

UPSIDE-DOWN 69?

I'm writing to give you guys kudos for the sizzling pictorial of Kitten and Vanessa (Black Booty. Vol. 22). Man those two bitches are the bomb. I've seen them in pornos, but never in a magazine. How did you do it?

Those boobs of Vanessa are huge and tight. And they look real. Kitten is more like a tiger. She has the longest tongue I've ever seen on a girl. And man, what a great face. She looks like she could eat me up alive. That white dude sure is lucky. First the do each other and then they do him. Man, I came twice just looking at those photos. You got any more of them? You gonna do any more three-ways in your mag? If you're counting votes, count me in. When's the next issue coming out?

– Damen, San Diego

Damen, let's just say it's our little secret. Actually, a still photographer

approached us with the photo set and we took them immediately. These are all never-before-seen photos, in any magazine or website. So enjoy.

– Ed

GIRLS AND THEIR TOYS

I'm a healthy thirty year-old guy who has a problem getting up. I don't know if it's a medical thing, but I've lost it. I use to jack off a lot when I was younger, but they say that shouldn't matter. Looking at girlie mags and pornos help, and writing letters helps too, but nothing is better than a girl shoving a dildo into her pussy. Since I can't relate to cocks in the flesh, the colored plastic cocks are a much bigger turn on for me. Not even the fleshy dildos turn me on, but if it's red or blue or black, I can get hard. When I picked up your magazine and saw that girl sticking a red dildo into her pussy and then that shot of her pushing it into her ass all bent over like a pretzel with her pussy inches from her face. Man I loaded one up and shot it out. Keep up the good work, because that was the best money I've spent in a long time.

– Warren, Toledo

We like to see you putting your hard earned money to good use. Your erection problem could just be mental. Go get yourself a bad girl and see what she can do you for you.

– Ed

RISKY BUSINESS, TOO!

OK. I have just ten minutes to write this letter. I just got on the "el" at Belmont Ave. headed for the Loop. OK. I'm a banker on La Salle Street. Because of the recession, our firm cut thirty people and I've had to pick up a lot of their work. Last nite I was working late with a few other people. When we finished, Sheila and I went to the station as we always do. On the way home, her stop is one past mine. OK. So the train pulls up and we get in. It's about 9:30 pm and there are several people on it. Mostly business people who were probably

down my zipper!!! OK. I'm all soft and such, but within a minute I'm all hard. She is looking forward as if nothing is going on, but her hand is working my dick pumping the shaft as if the world was ending. I don't have time to tell you about fantasizing a scene like this or how hot I am for Sheila. So I have to just tell you what she did. OK. I take my eyes from the view because we have gone into a tunnel. The train lights flicker, but Sheila just keeps pumping. Soon we surface at North Ave. and my stop is just a few away. She changes her grip to use her nails. She pinches me and

working late, too. We find a couple seats together and plop down, Drop our briefcases to the floor and settle back to look out the window. OK, the train pulls out and Sheila grabs the Chicago Trib as if to read it. She opens it up and puts it over my lap. I ask her what's going on and she tells me to keep looking out the window. I oblige when I realize she is pulling

slides them up and down the shaft, letting her index finger poke my balls thru the fabric. OK. Next stop is Diversey and I'm about to pop. A couple exiting the train slow down to look at us. I think they know what was going on but went out the exit. That blew my concentration and we lost the rhythm. Next stop Belmont and I won't finish in time. I see the stop's sign out the window and

You have something to say to us?

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

I look at her saying I have to go. She tells me to stay seated and continues to pump me. So after the doors close and I miss my stop, within a few minutes I force myself to cum. Which I do into the newspaper. She quickly folds it up and gets up to leave as the train pulls to her stop. I'm left with my dick hanging out, but I quickly shove it back in and zip up. Ok, I look up to see her hit the platform and the doors close behind her. I missed her stop too. OK. Now I just looked up and have missed my exit this morning. Looks like I'm going to be late for work, but at least I got this letter out to you.

– Bailey, Chicago

I LOVE LESBIANS

I saw your magazine on the newsstand with Kitten and Vanessa on the cover and had to pick it up. I thought that was great shot of the two of them, and kinda unusual for a porno mag. Usually it's one girl or if it's more than one, they are just standing there. With yours, there is a rapport with the two girls and it carries on into the inside. I could have done without the guy and just done pictures of the two girls. They are so hot and the piercings are really kinky. I would have loved to been there during their shoot because it looked like a lot of fun and they seemed like they were really into each other. Give us more girl-girl shoots where the girls are into each other. Most of

the time the shoots look like they are there just to go through the motions and don't really like to eat pussy. I don't buy those mags.

– Orlando, Raleigh

Thanks Orlando. We love lesbians, too. They make our day. Stay in touch and you'll be seeing plenty pof hot girl-on-girl action in upcoming issues.

– Ed

And I like how she always took it in the ass. In real life, most girls don't want to get fucked there, but Monique would just reach back and pull her asshole open and let the guy shove it in. That's the kinda girl I want. I've enclosed a picture of myself and a return envelope for her to write to me.

– Charles, Boston

their pussy hair is soft and silky when they have it. A black girl's is a bit kinkier and so I have all my girls shave their pussies. I don't want my tongue getting raw from licking, because I like to hang there a long time. Unlike those two, I have never been with a girl who has pierced labia. I was thinking of doing it to mine but never met anyone with it so I could not ask if it hurt or not and what sex felt like with it. Now that I see Kitten and Vanessa with piercings, I may just give it a try. They have their tongues and labia pierced and it hooks HOT! I would love to meet a black girl with a smooth pussy, pierced tongue and

MONIQUE RETURNS

Hey dudes, thank you for bring back Monique, even is she is with a white dude. I've been a big fan of hers for years and then she kinda disappeared, I miss her in the movies because she brought an energy that many performers did not bring. And she would do anything. She was the baddest bitch on the set and really knew how to fuck and suck. I also liked the fact that she was a small girl. I'm into small girls because you can man-handle the. Pick them up, turn them over. Do an upside-down 69. That was something I first saw Monique do in a move and

TO PIERCE OR NOT TO PIERCE.

I loved your pictorial of Kitten and Vanessa. I'm a twenty-one year old black lesbian and I love girls. Having sex with them, that is. And black girls are my faves. They really know how to get into sex, but they can be bitchy too. I've slept with some white girls and I have to admit that

pierced lips. Know anyone out there? I'm in college in the middle of Nebraska and there aren't very many black girls, let alone black lesbians, let alone pierced, too. I graduate in a few months and don't want to move but I may have to because my sex life needs more variety. So, please give them my cell number. Discreetly, of course.

Aphro Dietie

Welcome to my blog. I got such a great response on my first one that I had to tell you this little story...

→ Hi guys I'm back again with a little something to share with you. Last week while chillin' in the Jacuzzi at my condo, two cute dark haired Asian girls asked if they could join me. Of course I said yes.

They introduced themselves as Suki Mi and Suki Eu with that cute little giggle that they do. As they got into the bubbling warm water, I couldn't help but notice how beautiful and tan their skin was. We all laid our heads back to enjoy the sounds and smell of the jacuzzi. I could see the sun through the trees beginning to set. As we made small talk, I learned they were nursing students, and had just recently moved into the building. I listened as the two girls talked, and watched as they began to get more comfortable in the water. After about fifteen minutes Suki Mi took off her bikini top and Suki Eu asked me to help her unhook the back of her one-piece. She backed into me to make it easier, and as I reached up to unhook her, I caught her giving a little wink and smile to Suki Mi. I watched as the water swayed back and forth and bubbled all over their beautiful nipples. As we talked more about their studies, we all let our legs float in the water, touching each other occasionally in between laughs and giggles.

By now I felt extremely comfortable with the two girls, they watched as I took off my bikini top and bottom. Slowly the conversation changed to personal questions. How old are you? Do you have a boyfriend? Do you like girls? In between Q&A we kissed and touched and caressed each others breasts. It all felt so good in the warm bubbles of the water. Suki Eu and I watched as Suki Mi backed her ass up against the strong force of the Jacuzzi's jets.

→ So here I am in the Jacuzzi with two hot, and very wet, Asian girls, each firmly attached to one of my nipples. I let this go on for a few minutes...

I knew it felt good on her ass and pussy because I have done the same before. I put my hand in the water and went over to Suki Mi and touched her pussy through her soaking wet swimsuit. Her pussy felt so nice and warm. I could feel her clit through the skimpy fabric. As I did, Suki Eu put her hands on my breast. After a bit more fondling, I took off their bikini bottoms so we were all completely stark naked! Suki Eu lifted herself out of the water and sat on the edge

of the jacuzzi. I was face to face with her bare pussy. I began to lick her beautiful stuff as Suki Mi fingered me under the darkness of the water. My tongue split her labia and found it's mark, that sweet little clit. Suki Mi's fingers were doing the same to me. They probed down there until they found their mark. It stood up to meet her touch. I think my clit was probably as large as both of their's put together. As I buried my face into Suki Eu's pussy, I felt Suki Mi dip under the water, open my legs and go under for an underwater licking.

The warmth of the water and the warmth of her tonguing was too much for me. I began to lick Suki Mi harder and harder as I began to come. She pulled my head deeper into her sweetness and as she came, she squirt her pussy juices onto my face. Wow! That had never happened to me before with a girl. Guys, yes! For some reason, they love to cum on my face. Maybe because I have such a pretty face and they want to see their cum on it?

→ Anyway, Suki Mi's cumming and squirting made me cum, too. Suki Eu came up for air, but did not miss a beat when she saw Suki Mi beginning to suck on one of my nipples. Her mouth sought the other one and in unison, began a rhythmic sucking and licking that made it seem like they had done this before. I did not mind, because now they were doing it to me. So here I am in the Jacuzzi with two hot, and very wet, Asian girls, each firmly attached to one of my nipples. I let this go on for a few minutes, giving out little groans of pleasure as they worked it. Then I took each by the hair and pulled them off my breasts. I pushed their heads together firmly but softly until their little noses were

touching. I told them to start kissing each other because I wanted to watch. A moment later we heard someone coming down the patio. The two girls quickly stopped, got up, grabbed their swimsuits and ran away. I watched their cute white asses disappear as this guy came over to the Jacuzzi and said he had been watching from his window and thought he might come and join us. I told him he had ruined my fun. He apologized and said he was fun, too. Think I'll find out!

Foreign sExchange Student

I'm Sylvie. I live in suburban New Jersey with my husband. Our kids have grown up and gone off to college. We decided we wanted to sponsor a foreign exchange student this year. Jannicke was our first choice.

I'm Jannicke from Sweden. I come to America to continue my studies in psychiatry. Sylvie and her husband have been very good to me and I want to express my appreciation to them. Especially Sylvie.

Nine months ago, my husband – Bernie and I decided to sponsor a college level foreign exchange student. Our own children had gone away to college and we just couldn't get over the emptiness in the house. After much discourse, we contacted an agency with our request – a female, preferably from a Scandinavian country, because of our heritage. Within a month we were contacted with a choice of five young women and we selected Jannicke, the psychiatry student. She seemed very nice in her pictures and the bio said she was respectful, a good student and a hard worker.

Six months ago Jannicke arrives at our door with the agent and a bunch of suitcases. We invite them in and sign the final paperwork with the agent. Jannicke is twenty and speaks English pretty well so we didn't have a problem communicating with her. The agent left and the three of us sat down for dinner. She said she had a long trip and would like to retire soon. After dinner we took her up to our daughter's empty room and left her alone to get comfortable. In the morning Jannicke came downstairs to the kitchen and said good morning. Since it was a Wednesday, Bernie had gone to work so it was just she and I. Over coffee she told me more about herself, her family and her schooling.

She was anxious to start school here in New Jersey. We chatted throughout the day as I helped her unpack and get her things in order.

Bernie came home for supper and they got more acquainted. Last week Jannicke came home from class and looked exhausted. I asked why she felt so tired and she said she had stayed up most of the night studying and thought she didn't do very well on the test. I consoled her as best I could and suggested that she go to bed and rest. We had dinner and she went upstairs without wanting dessert. The next day Bernie was off to work as usual and Jannicke stayed home because she had no classes. This was the first time she and I had really been alone since she came six months ago. Everyone had been busy doing their thing during the week and on the weekends, when she wasn't studying, we would take her into New York City or travel around so she could see our little corner of America.

Jannicke asked if we could go shopping for some new clothes for her. She felt she needed a couple pieces of new underwear for the spring. We found Victoria's Secret and she was in underwear wonderland. Jannicke said she had heard of the store but it was too far away for her to go. I let her indulge

in the satins and silks. She picked out a few things to try on and we checked out with a few bras and panties. Back at home she wanted to try on her new purchases and show them to me. I sat on the edge of the bed and she went into the bathroom to change. She looked great and the clothes were a perfect fit. I complimented her on her choices and she giggled like a schoolgirl.

All of a sudden her attitude changes. She looks at and starts to undo her bra clasp. I momentarily feel awkward and start to get up to leave. She says that I should stay and drops her bra to the floor. She rubs her breasts and asks if I would like to feel them. I say "NO!" but she says that they feel nice and firm and she would like me to touch them. By now I'm dumbfounded and don't know what to do. It's still a couple hours before Bernie comes home so I'm stuck. Jannicke tells me to relax. "I know you're nervous but I found you very attractive the first time I saw you," she says. I tell her I'm old enough to be her mother. That I AM a mother. "That's okay with me," she says. "I like you a lot and I want you." "Jannicke, I don't think this is right," I say. "But it can be. Don't you like me?" she asks. "You know I do. You're like a daughter to me," I say. "I can be much more if you let me." She says.

My head is spinning. I have never been with a woman before. She is so very attractive now that I begin to look at her like that. I feel my resistance to her breaking down. She comes

over to me and kisses me softly on my cheek and moves her face around to my kiss my lips. I find myself responding to her kiss and it feels warm inside. Jannicke takes my hand and raises it to her breast. I cup her boob and raise my other hand to her other one. I cannot believe I am doing this. I don't know how to love a woman, but I find my face drifting down her neck to kiss her breasts. My lips replace my hands as I gently but eagerly suck on her nipples. She pulls my head tighter to her boobs as I move from one to the other. They are perfect

34 Cs with full areolas and great nipples. I reposition myself, breaking contact with her breasts, so she takes advantage of it to pull her panties off. She moves in to undo my blouse but I tell her I was could not let her do that. She said she understood, but would I just do her. She has been away from home and did not like any of the boys or girls at her college. I felt a bit sorry for her plight so that made it easier for me when she came closer to me and sat on the bed next to me.

She said we should hurry because my husband would be home soon. I laughingly scolded her to stay away from him. She said she would because I was the one she wanted. As she lay back, she grabs my collar and pulls me down with her so my face ends up in her crotch. I say softly I've never done this

before and don't know what to do. She laughed and said to do just what comes naturally and to think about what your husband does to you. My sex life with Bernie has improved ever since the kids left for college. We have the house to ourselves and don't have to sneak off or do it late at night when the were asleep. Bernie doesn't give the best head, but he is always eager enough to try and please me. So I start by licking around her labia, finding my way to her clit she grunts and tightens her legs around my head. I do the best I can in the tight space.

Her thighs loosen and I reach in and open her lips so I can go in deeper. My tongue penetrates her hole and she arches her back to meet my motion. Even though it's only been a few minutes, I think I'm getting the hang of it. There's a familiarity to her genitalia from being a woman, so I know how much pressure to apply and what to do with my tongue.

Jannicke reaches down to open her lips and I find her clit again, it is poking out and she begins to rub it as I lick lower down her opening. She lifts her butt up offering her buttohole to me but for some reason I just couldn't go there. I did, however, insert my fingers into her pussy as she kept rubbing her clit. I started with one, then two, then four, leaving my thumb outside for leverage. She moaned louder as I found my fingers fucking

her harder and harder. After a few minutes she screamed out in a frustration-releasing orgasm that I was taken aback by it a bit. Nonetheless, I helped finish and gave her wet pussy a little you're welcome kiss. Jannicke falls back on the bed and smiles at me.

As I get up to straighten myself out, she reaches into her school backpack and pulls out a clear plastic double dong. I can't believe my eyes. She's come 8,000 miles for this.

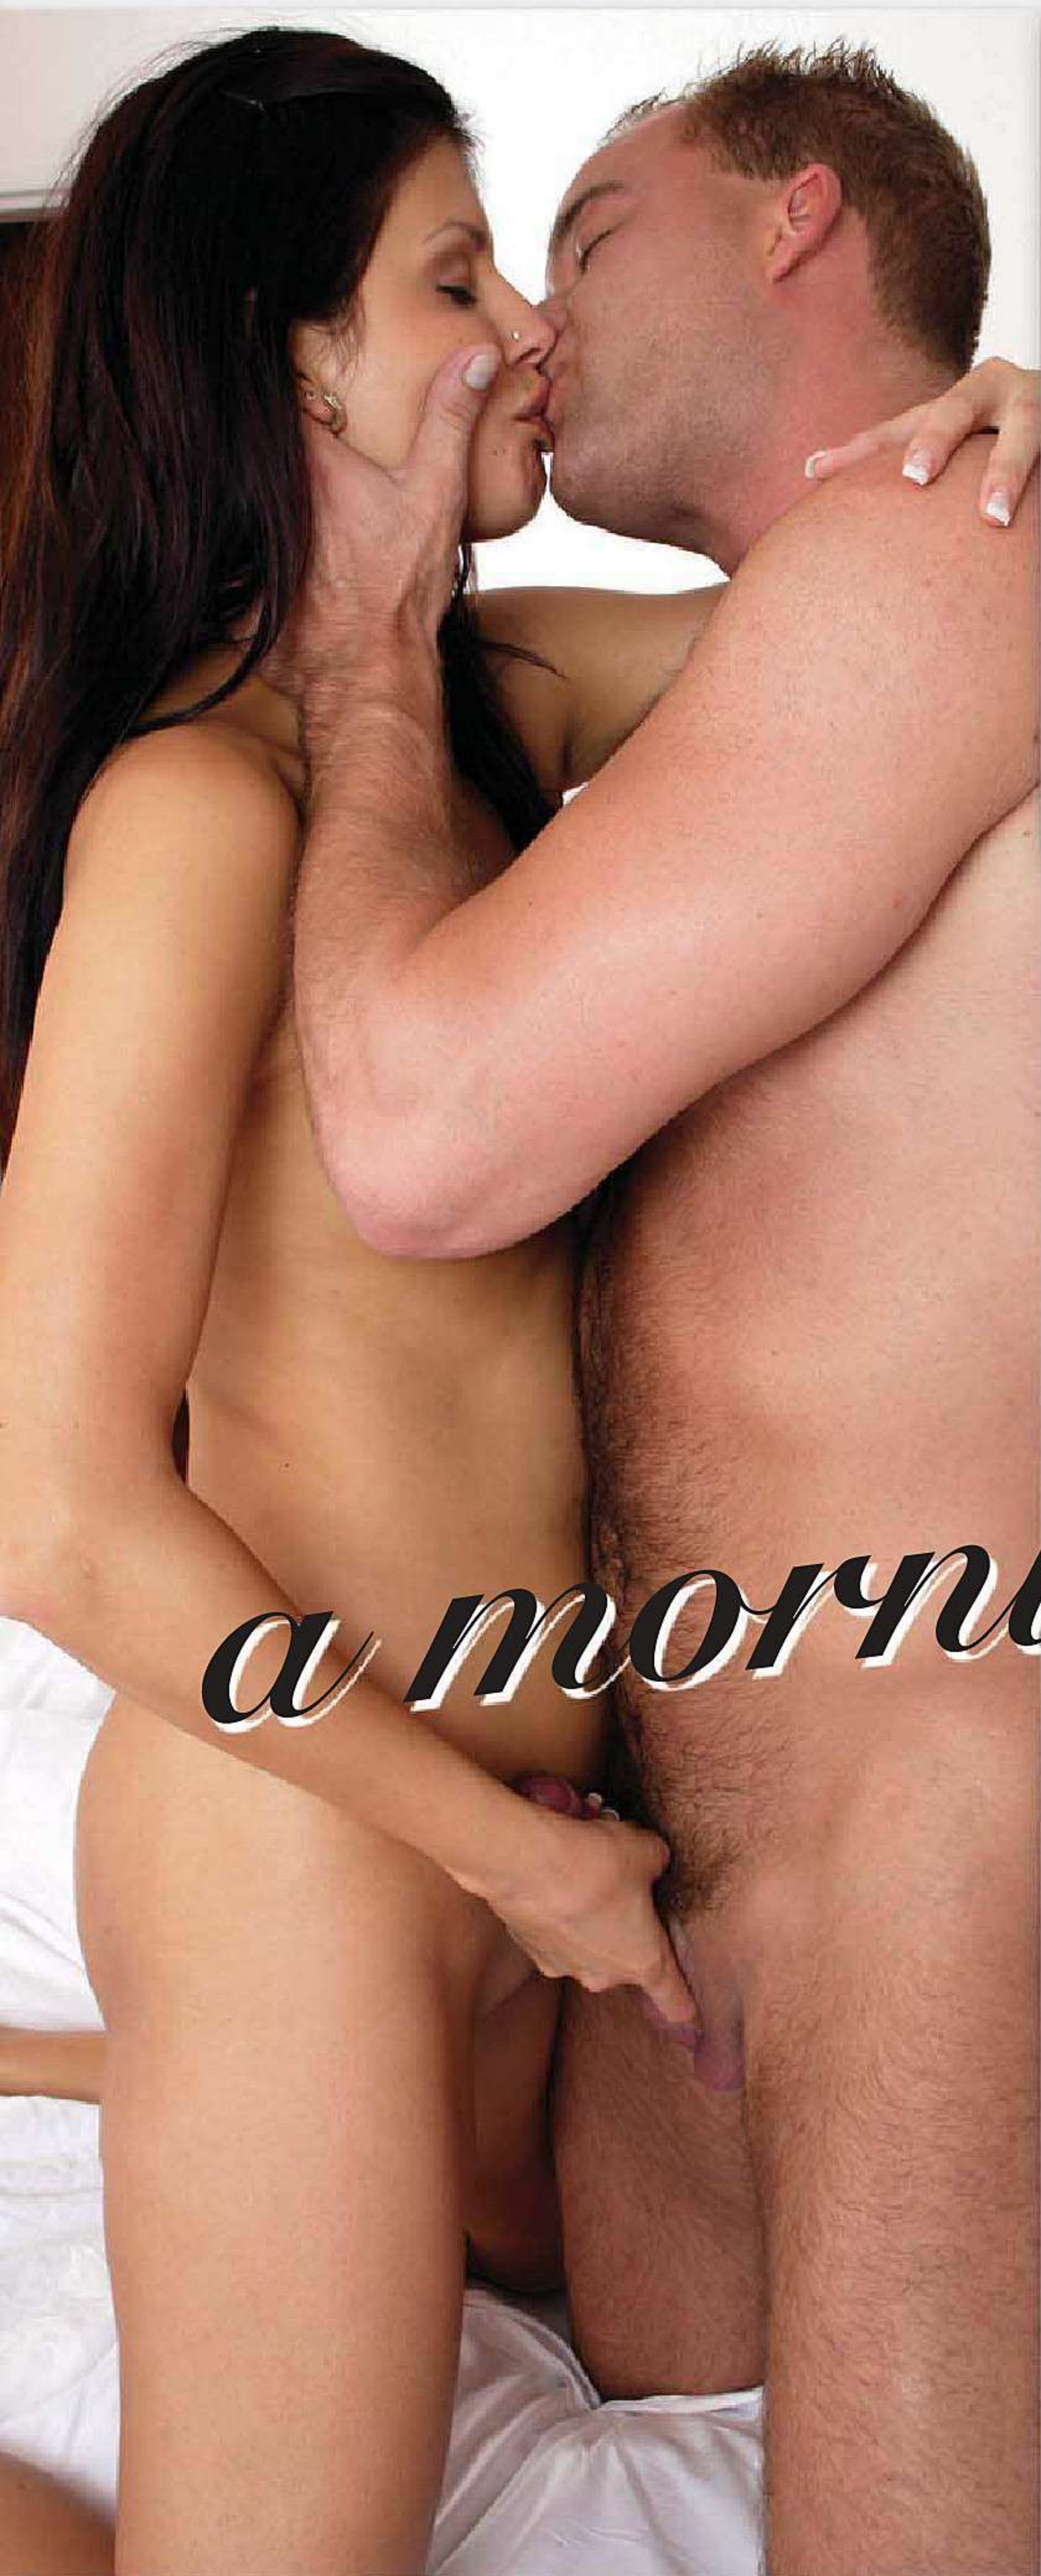

Is this what she's learning in America. I am thinking about scolding her again. Jannicke comes over to where I'm standing and starts to unbutton my blouse. I was so hot and frustrated from our previous session that I let her do it. And then my pants came off. She makes me lie back on the bed and puts one end into my mouth. I really don't care for the taste of plastic, but this was scented strawberry and I didn't mind it.

I'm laying naked on the bed and she is licking me. I have to close my eyes because I can't believe I'm in a lesbian love scene with a twenty year old Swedish student. I open my eyes and look down at this blonde head between my legs. The sensations of her tongue and fingers on my pussy are overwhelming. Jannicke reaches for the dong and inserts the tip into my pussy. It almost feels like the real thing, except it is bigger than Bernie. My body shudders at its penetration. I look at her and she has positioned herself between my legs and is putting the other end into her. I sense our time is running out so I begin to pump it furiously, and she does, too. Our rhythm is

perfect and within minutes we both cum. And it is great! She tells me how nice that was. Did I like doing it? I confessed that I did even though I didn't think it was right. She said that she wouldn't let it happen again. I told her to be sure that it didn't – with a big wink. Fifteen minutes later Bernie comes home and I go to the kitchen to start dinner. I hear them in the living room talking about their day. A half hour later I say dinner is served. We finish and I offer dessert. Jannicke – with a big wink – passes, saying she had hers earlier.

Letters to the editor

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

I LOVE MY WIFE – AND HER SISTER

My wife is a special lady and I just had to write to you about her. I tried to get us onto The Oprah Show but they didn't want to hear it. Just because we had a little three-way. It all started when I had an

saying that we need to take a closer look at the "ouchie." I felt they were making fun of me, but I wasn't about to stop them. Now, both women are on their knees on either side of me – one pulling my cock out as the other undoes my belt and pulls down my pants. I start to mumble that I'm fine, but the words get stuck in my throat and I'm glad they did. My wife starts licking me while her sister holds the shaft. Then she pushes my wife's head away and takes over. I can't believe what I'm seeing. Two hot chicks sucking on my dick. Now I'm going to spare you the gory details from here on, but needless to say I called in sick the next day.

– Eddie from Pittsburgh

Ed – Eddie, damn you. Just when it was getting good you cut us off. We hope your foot doesn't heal!

A WALK ON THE WILD SIDE

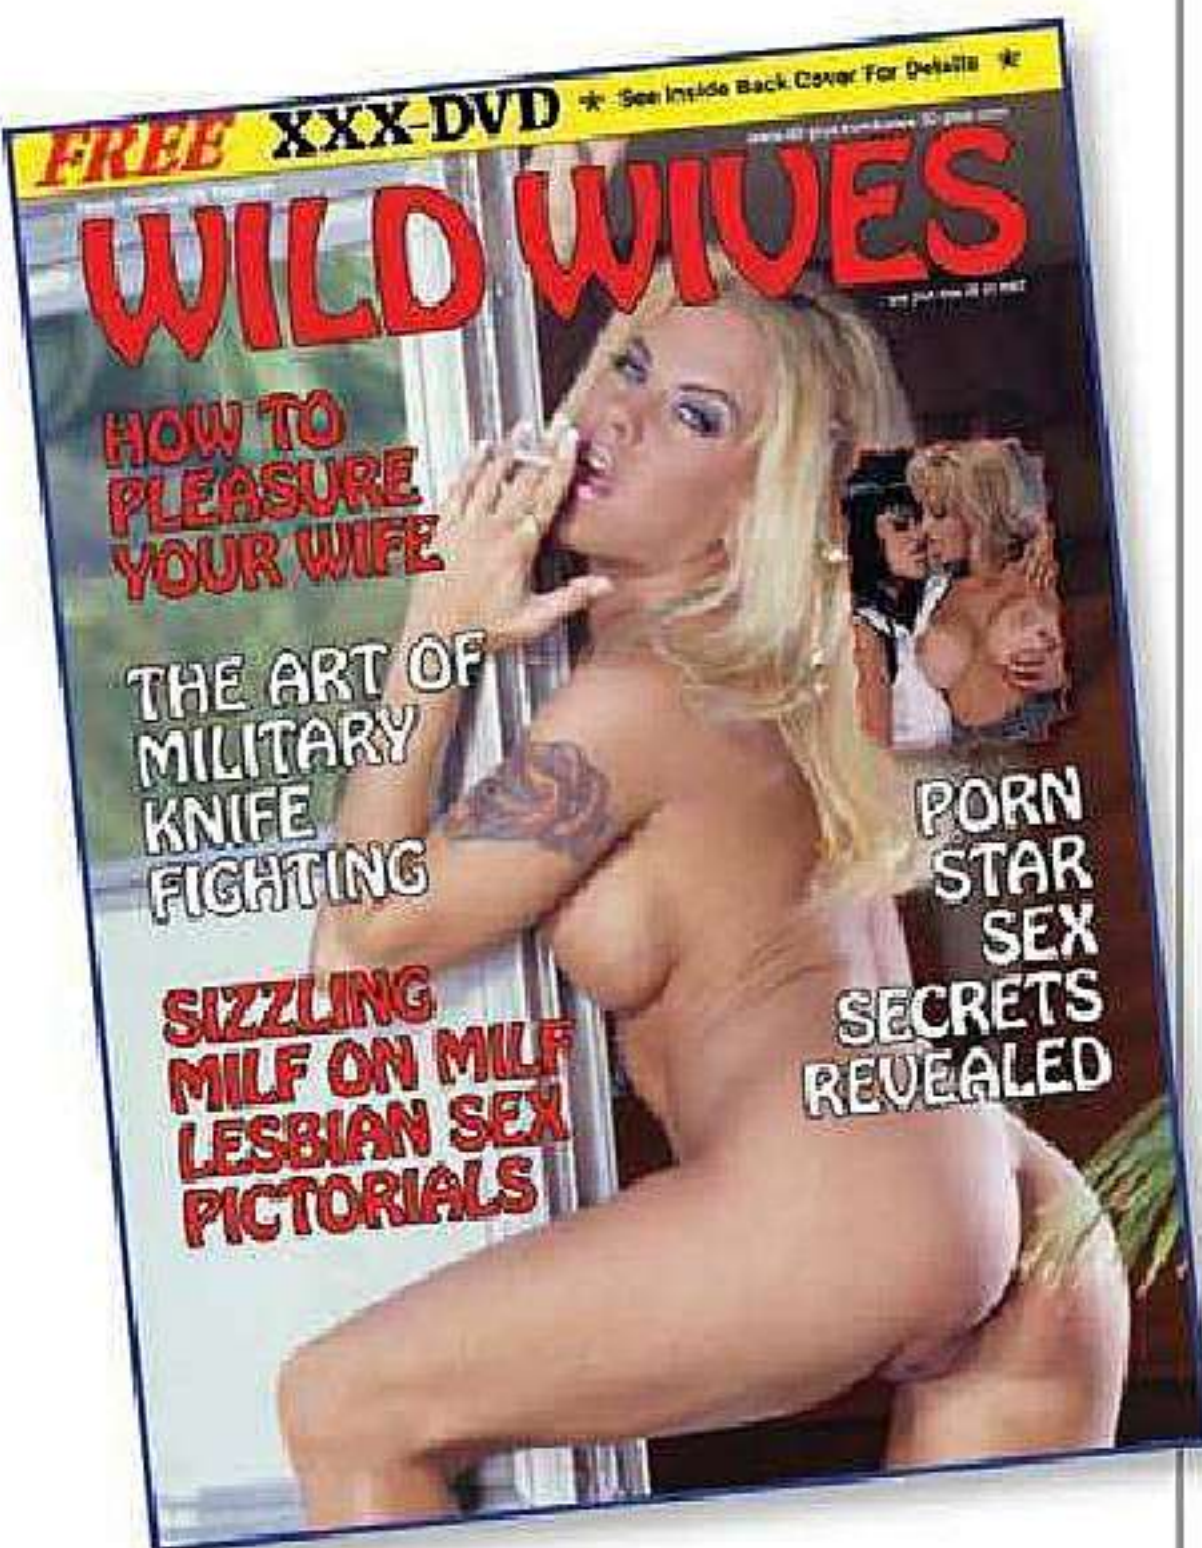

I have something to say to all you divorcees out there who is looking to get laid again. I was in a terrible marriage. No love. No romance. And no sex! My husband and I hadn't made love in nearly five years. With his busy schedule and my apathy we went through our lives as virtual zombies. One day, before he left for work, he told me he wanted a divorce. I was stunned but not really surprised. With that he left for work without saying another word. I felt my life about to crumble. What was I to do. I thought long and hard about it and decided I was going to fight for us. I thought, no, I hoped, that sex could change his mind; and probably change our relationship for the better. The long day came to an end when he came home. Sullen and quiet, I saw him sit at the kitchen table and put his head

in his hands. I came into the kitchen wearing nothing but an apron. I told him I was going to cook a last dinner for him. I think that may have changed his attitude. He seemed to perk up a bit as I walked over to the oven with my butt poking out the back of the apron. He stood up and walked over to me, put his hands around me and untied the apron strings. We kissed passionately, like we hadn't done for years, and had wild erotic sex right there in the kitchen. This was on a Friday and we fucked each other in every room in the house for the next two days. He left for work on Monday morning, very tired, but with no thoughts about a divorce. Just goes to show that if you can put your pussy into it, you can do anything.

– Penelope, Miami

was doing and she said fine because she had just gotten married and was in love again. I asked what she meant by again and she said she was in love with me, even through the years after we split. Man did that make me feel good, and bad. We talked a little longer and then went back to our seats. Why am I writing this letter to you? I remember reading a similar letter in your magazine a few issues back where the guy and the girl reunite at their class reunion. I'm going to call her again and try to find out how happily married she is. And if she's not, I'm going to try and get her back. That letter has given me the initiative to try. If I succeed, I'll write to you again and let you know what happened.

– Eric, Los Angeles

accident at work and was sent home for the day. My wife couldn't pick me up so she asked her sister to come and get me. She takes me home and helps me up the stairs. I hobble over to the sofa and she calls my wife. She tells her to please stay and make me as comfortable as she can. That she was leaving work early to come home and take care of me. The sister puts my leg up on the ottoman and I lean back on the sofa feeling the pain. It was not a serious injury, but just enough to get sent home. After an hour of small talk, my wife arrives and she checks out my foot. She's a registered nurse and so she gets refreshes the ice pack and asks if there are any other pains. I jokingly say only the one in my pants. She rubs my crotch as is to search for it and I start to get hard right there in front of both of them. Her sister reaches over and unzips my pants

OLD FLAMES NEVER DIE

I recently saw my old high school girlfriend at a baseball game in our home town. I was getting a beer at the concessions and noticed her in the line next to mine. We were quite an item ten years ago but drifted apart after going to different colleges. I went over to say hi after getting my beer and she looked surprised to see me. I asked how she

UNWEDDED BLISS

I'm twenty three and I just bough an issue of Wild Wives. I can't believe the girls in the pictures are all married. None are wearing wedding rings, unless their all cheating on their husbands. While I would do any of them in a heartbeat, I wouldn't want the baggage that comes along with them. If any of them just wanna fuck, you got my number!

– Sammy, the Bronx
